Menu

SunRay Social & Swim Club is made for the hours that matter most. When the sun is high, time slows, and the day opens up.

Built around ocean, pool, natural light, and an easy rhythm, SunRay is a place to dip in, settle down, and stay longer than planned. No rush. No rules. Just good energy and the simple pleasure of being by the pool together.

Days unfold naturally here. A late morning swim drifts into lunch. A casual drink turns into a shared moment. Music sets the tone without taking over, and the atmosphere stays relaxed, open, and unapologetically unpretentious.

The flavors are global, familiar but never forced, designed to travel well poolside and enjoyed slowly. Drinks are bright, sun ready, and easy to order again. Everything feels intuitive, not indulgent.

SunRay Social & Swim Club isn't about the loudest moment of the day. It's about being part of it.
